# Stile Porcelain

Stile is the Only Real Porcelain Manufacturer in Pakistan. Stile Porcelain Tiles give your living space a modern-day touch and add a distinct charm to the lifestyle of the customers along with unparalleled design ideas enabling you to transform your dream home into reality.

These tiles help you reimagine and redesign your home stylishly while you can celebrate fine living. With a wide range of contemporary to traditional designs conforming to high quality in various colors, these tiles can add an aesthetic touch to your spaces.

In this guide, you will find everything you need to prepare, finish and maintain your Porcelain tiles for years to come.

## Benefits Of Using Stile Porcelain:

These tiles are renowned to be Pakistan's Only Real Full Body Porcelain tile. As it has less than 0.5% water absorption, this improves strength and durability.

Firing at higher temperatures and using more refined clay creates denser porcelain tiles, which if installed correctly ensure durability for decades.

Owing to the non-porous nature of this tile, they are resistant to stains and fading.

Having low water propensity, these tiles are easy to maintain.

It is resistant to household chemicals thus it maintains its color, design and surface finish for longer time.

The installation of these tiles is ideal, easy and hassle-free.

# Where More is **Being Innovative**

## **Glazed Polish Porcelain:**

Layer of glass-coat is applied on the surface of the porcelain body and then it's polished with a layer of liquid silica through Teflon boots to make it extra shiny and stain free. Can be used on both Wall and Floor.

## **Stile Recommends:**

Using them in Bedrooms, Living Room, Drawing Room, Balconies, Kitchen, Hallways, Offices, Loggias and Terraces.

## **Glazed Matt Porcelain:**

A thick layer of Matt glass-coat is applied on the surface of the porcelain body to make it suitable for areas where slip resistance is required. Can be used on both Wall and Floor.

## **Stile Recommends:**

Using them in Patios, Dining Room Wall & Floor, Bedrooms, Living Room, Drawing Room, Balconies, Feature Walls, Conference Halls, Offices, Restaurants, Exteriors and Bathrooms.
